## Quilt Top Assembly Instructions

---

14. Center one 7" x 56" Fabric F strip on one side of the quilt top and pin in place. Start sewing the strip a ¼" from the top edge of the quilt top and stop a ¼" from the bottom edge. **DO NOT TRIM THE EXCESS.** Repeat with the opposite side.
15. Repeat Step 16 to sew one 7" x 56" Fabric F strip to the top and bottom of the quilt top, making sure to stop and start ¼" away from each end of the quilt top. To miter each corner, fold the quilt top on a diagonal, wrong side together. This should line up the strips from adjacent sides (Fig. 14).
16. Starting at the sewn seam (represented by the arrow in Figure 14) draw a 45° line out to the edge of the fabric. Sew on the drawn line. Trim the excess fabric, leaving a ¼" seam allowance. Repeat this step with remaining corners (Fig. 15).
17. Layer and quilt as desired.
18. Sew the six 2-1/2 x 42" binding strips together end-to-end with 45° seams to make the binding. Fold this long strip in half lengthwise with wrong sides together and press.
19. Bind as desired.
