## Quilt Assembly and Finishing:

1. Arrange the blocks into (5) rows with (5) blocks in each row, alternating the two types of blocks.  
Stitch the blocks into rows and sew the rows together to complete the body of the quilt top.
2. Trim the selvages from the 2" Fabric G strips and sew the strips together end to end to make a long 2" strip.  
From this long strip, cut (2) 75-1/2" and (2) 78-1/2" lengths (if your measurements are different, cut to fit your quilt top). Stitch the shorter pieces to the left and right sides of the quilt. Sew the longer pieces to the top and bottom.
3. Trim the selvages from the 6-1/2" Fabric H strips and sew the strips together end to end to make a long 6-1/2" strip. From this long strip cut (2) 78-1/2" and (2) 90-1/2" lengths (if your measurements are different, cut to fit your quilt top). Stitch the shorter pieces to the left and right sides of the quilt top. Sew the longer pieces to the top and the bottom to complete the quilt top.
4. Layer the completed quilt top with batting and backing and quilt as desired.
5. Trim the finished quilt and bind using the 2-1/4" Fabric B strips.
