- Refer to photo and quilt diagram to lay out four-patch blocks with [B] 6 1/2" squares.
- Sew blocks together into rows. Press seams toward the [B] squares. Join rows together and press.

BORDERS:

- 1. Inner Border:** Sew the four [C] $2\frac{1}{2}$ " strips together end to end; press. Cut two $2\frac{1}{2}$ " x $34\frac{1}{2}$ " and two $2\frac{1}{2}$ " x $42\frac{1}{2}$ ". Sew one $42\frac{1}{2}$ " strip to each side of the quilt; press. Sew one $34\frac{1}{2}$ " strip to the top and bottom of the quilt; press.

PILLOW POCKET:

1. Refer to photo and pillow diagram to assemble four-patch and alternate blocks using the same procedure as for the quilt.
- 2. Inner Border:** Sew one [C] $1\frac{1}{2}$ " x $12\frac{1}{2}$ " to opposite sides of the pillow center; press. Sew one [C] $1\frac{1}{2}$ " x $14\frac{1}{2}$ " to the top and bottom; press.

To assemble the pillow, layer in order: 20" batting square, [B] 20" square (right side up) and pillow top (right side down) Figure 1. The batting and backing will be larger than the pillow top so be sure to center the top. Trim all layers to match pillow top. Pin layers together. Using a $\frac{1}{4}$ " seam allowance, sew around all sides leaving an opening along one edge. Trim and clip corners. Turn pillow right sides out. Stitch opening closed.

Stitch opening closed.

5. You can hand or machine quilt the pillow or you can create ties with pearl cotton. The pillow is great practice for finishing the quilt itself!

COMPLETE THE PILLOW QUILT:

1. Press fabric [A] so that it is free of any creases. This will be your quilt backing.
2. Place the finished pillow face down on the right side of the backing. Center it at one end with the pillow edge placed $\frac{1}{2}$ " above the raw edge of the backing. Pin in place. Sew pillow in place along sides and bottom; leave top edge open as shown (Figure 2.)

3. Lay backing (right side up) and the quilt (right side down). Check to see that the backing covers all edges of the quilt. If not, you may need to trim the quilt slightly to match the width of the backing. However, that usually is not the case. Place batting under backing.

4. Trim layers even. Using a $\frac{1}{4}$ " seam allowance, sew around all sides leaving an opening along one end. Trim and clip corners. Turn quilt right sides out and stitch opening closed. Quilt or tie in the same manner as the pillow.
5. Sew a generous $\frac{1}{4}$ " from edges of quilt to create a nice finish and "mock binding".
6. Fold quilt in thirds lengthwise with folds facing front of the quilt. Fold lengthwise so that thirds are created with the pillow section being one of those sections. Turn pillow right side out while tucking the quilt into the pocket (Figure 3). You're finished!
